

The Right Connection®

5-Wire Plug and Play System

Another FloTech first, color coded plug and play provides fool-proof installation!

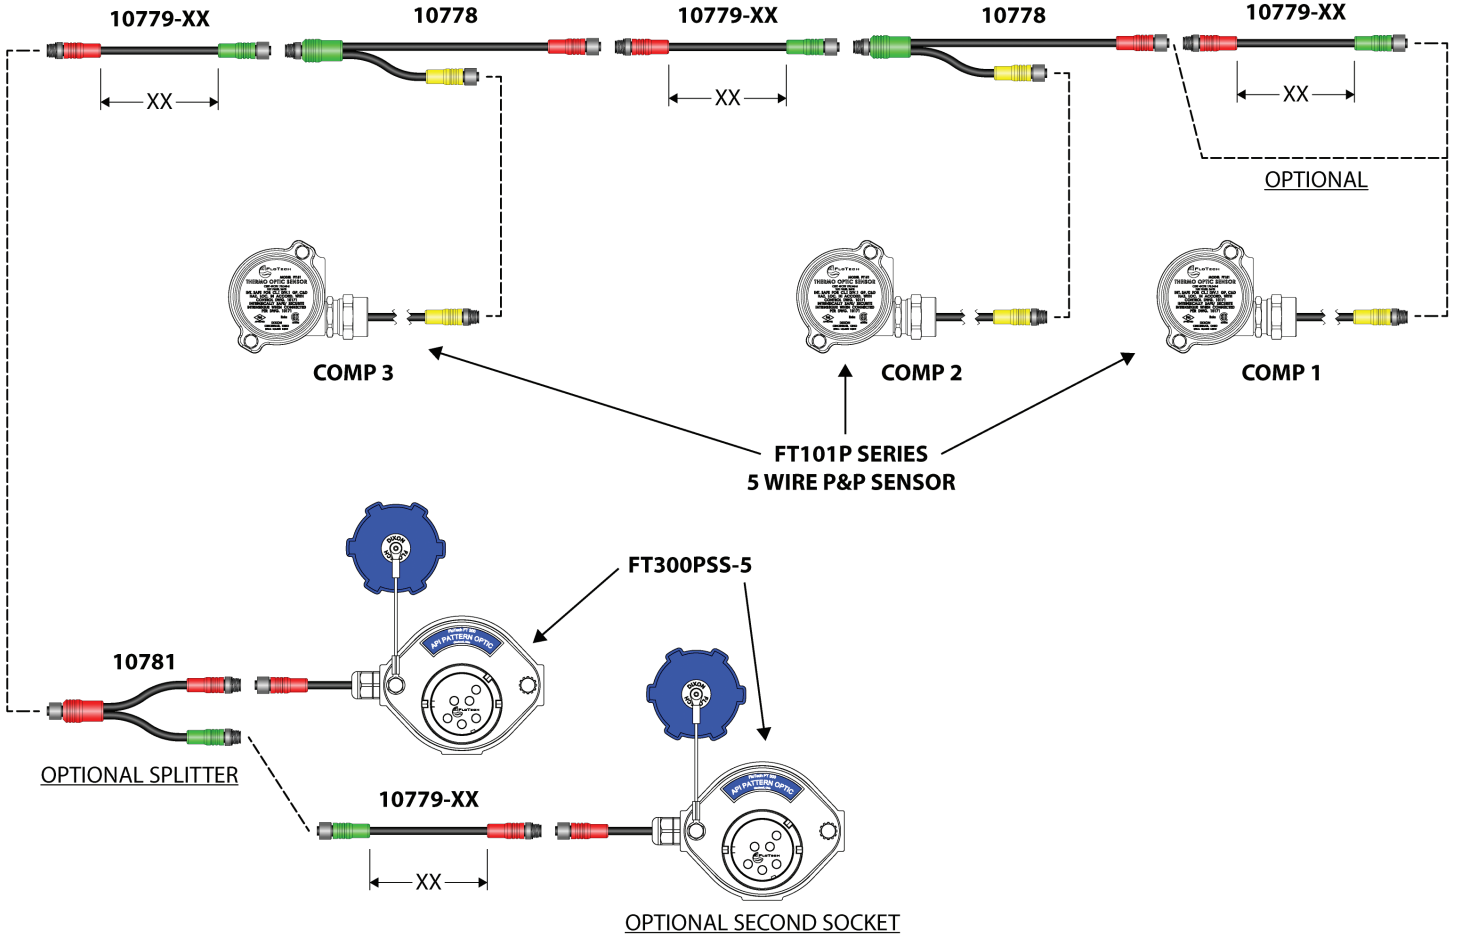

Features:

- Sealed connectors pass IP67 (dust and 1 metre water immersion test) and DIN40050 salt spray tests
- Matching the color coded connectors eliminates incorrect connections, greatly improving overfill system reliability
- No crimp connections
- No complex schematics
- No incorrect wiring connections
- No time wasted troubleshooting failed systems
- Modular color coded connector system
- Flexible length cables fit any tank configuration
- Weather-tight industrial grade connectors maintenance free system
- Replacements in stock

Contact your Dixon Bayco Sales Manager for more information.
