

The Right Connection®

Introducing the Dixon Bayco High Flow Drop Tee

Application:

Used for general dry bulk media unloading through a bottom drop hatch

Features:

- High flow thick wall design enables product to unload at a faster rate and resist internal abrasion longer than the leading brand
- Heavy duty stainless steel tee bolt secures hatch door closed
- Door components will not drag on ground
- Adjustable door hinges ensure tight seal on door gasket

Materials:

- Aluminum
- Hardware: stainless steel

Part #	Description
DB510TA	5" x 4" bottom drop tee
